

## SCALEKLEEN™ DELIMING GUIDE

### COFFEE BREWERS & VENDING MACHINES

Water Type	Grains Per Gallon	Deliming Interval
Soft Water	0-3 GPG	6 Months
Moderately Hard Water	3-7 GPG	3 Months
Hard Water	7-15 GPG	2 Months
Very Hard Water	15 + GPG	1 Months

### ICE MACHINES

Water Type	Grains Per Gallon	Deliming Interval
Soft Water	0-3 GPG	12 Months
Moderately Hard Water	3-7 GPG	6 Months
Hard Water	7-15 GPG	4 Months
Very Hard Water	15 + GPG	3 Months

### STAGING CABINETS & FLASH STEAMERS

Water Type	Grains Per Gallon	Deliming Interval
Soft Water	0-3 GPG	0 Days
Moderately Hard Water	3-7 GPG	8 Days
Hard Water	7-15 GPG	5 Days
Very Hard Water	15 + GPG	3 Days

### STEAMERS (countertop & boilerbase without Kleensteam®)

Water Type	Grains Per Gallon	Deliming Interval
Soft Water	0-3 GPG	6 Months
Moderately Hard Water	3-7 GPG	4 Months
Hard Water	7-15 GPG	3 Months
Very Hard Water	15 + GPG	1 Month

Steamers with Kleensteam® = every 6 Months

Don't know the volume of water? Use these formulas to calculate the approximate water volume:

- Square or rectangular tanks: Length x width x height (use inches) , x .00433 = GALLONS
- Circular tanks: radius <sup>2</sup> x length (use inches), x .0136 = GALLONS

DOSAGE: Use one 1.75 oz. packet of ScaleKleen per quart of water  
 Use on 7 oz. packet of ScaleKleen per gallon of water  
 Use one 2.2 lb. packet of ScaleKleen per (5) gallons of water
